Will Andrée

Designer and front-end developer with a sweeping background in the visual arts. Avid practitioner of phased prototyping and the iterative design process. Innate fondness for experimentation, and, above all, creating delightful experiences.

EXPERIENCE

Jubilant Digital Marketing, Overland Park, KS — *Front-end Developer/Lead Designer*

MARCH 2022 - AUGUST 2023

- Working in concert with clients and project manager, generated websites optimized for maximum web visibility. The wide scope of my work included website prototyping, brand retooling, and web development.

- As Lead Designer, produced brand style guides, new and redesigned logos, and designed web campaign ads.

Nucamp, Kansas City, MO — *Web Development Instructor*

AUGUST 2019 - MARCH 2022

Taught beginning-to-intermediate front-end development, from HTML/CSS, and JavaScript up to React.js. As an instructor I gave a weekly lecture and facilitated learning with class projects and weekly assignments.

Kemper Museum, Kansas City, MO — *Retail Administrator*

SEPTEMBER 2016 - MARCH 2017

Researched new products/product lines in accordance with retail trends and exhibition themes.
